

Career Opportunity Project Engineer

Summer 2022 Advertisement

Kozeny-Wagner, an established St. Louis regional construction company, is currently looking to hire a **Civil Project Engineer** to join its team of professional builders.

The successful candidate will assist Project Managers and Superintendents in delivering quality-constructed, safe projects in the timeliest manner.

Requirements for the position include an Engineering or Construction Management degree, and/or related construction experience. Candidates must be collaborative, bring strong communication skills to the position and be able to read and interpret construction drawings and specifications.

Our award-winning company offers a competitive compensation package, excellent potential for growth and a great work environment.
