

**Estimator  
Commercial Construction Division**

Q1 2025

**Kozeny-Wagner**, an established St. Louis regional construction company, is currently looking to hire a **Commercial Construction Estimator** to join its team of professionals. This person will be responsible for the preparation of conceptual and final estimates for our regional private and public clients through our award-winning design/build, general contracting and construction management project delivery methods.

**Job Responsibilities**

- Initiating and maintaining strong subcontractor and supplier relationships
- Read and interpret project plans and specifications
- Prepare project estimates including self-performed work and general requirements
- Develops and manages scopes of work for all trades
- Utilizes knowledge of the project schedule and logistics in preparing project estimates
- Assists with system analysis of building components and assists operations staff on project logistics, staging, phasing plans, and building coordination
- Collaborates with operations and field staff to develop more economical ways to construct projects during the preconstruction process
- Provides professional and comprehensive deliverables at the completion of estimate
- Understand timelines and applicable project deadlines

**Qualifications**

- Proven analytical, problem solving, organization and time management skills
- Ability to collaborate productively and professionally with multiple stakeholders
- Ability to prioritize and multi-task within strict time constraints
- Effective interactions with project stakeholders, subcontractors and vendors
- Self-starter and motivated with minimal supervision

**Experience and Education**

- Degree in Construction Management, Engineering, Architecture, or Related Field
- 5+ years' experience in the construction industry
- 5+ years' experience in the bidding of commercial construction projects
